

# BIOLASE Congratulates

**Dr. Mark Colonna & Dr. Enrico DiVito**

on receiving the 2007 Biolase Clinical Case of the Year

{ A breakthrough full-mouth restoration using the Waterlase MD™, published in this issue of PPAD }

Mark Colonna, DDS

Enrico DiVito, DDS

To complete this impressive restoration in a single day, Mark Colonna, DDS, and Enrico DiVito, DDS, actually operated on the patient simultaneously using two Waterlase systems. These important pioneers in laser dentistry continue to play a significant role in making Waterlase a standard of care in Dentistry.
